Sir,

Sub:-Release of land out of F.S.No.84 of Yennangur Village, Sidlaghatta Taluk.
Ref:-G.O.No.AFD-~~XX~~ 254-FGL-66 Dated 23-9-68 and your No. AFD-321 FGL 69 dt. 4.8.69

The Government in their order quoted above have ordered release of 45 acres out of S.No.84 of Yenangur Village, Sidlaghatta taluk for being granted to landless Scheduled Caste people of the area.

It is reported by Shri.B.Venkatarayappa, M.L.A. that the Villagers actually applied for land in S.No.85 and not in S.No.84 which is reported to be unfit for cultivation.

The Conservator of Forests, Mysore in his report No.LND-98-GFL-1198/67-68 Dated 19-2-70 (Copy attached) reports that the Divisional Forest Officer, Kolar has perambulated the above area and reports that S.No.84 is ~~is~~ unfit for cultivation and instead 42-30-0 acres comprised in part of S.Nos.86,85 and 83 of the same village be released.

As the release of 45 acres was agreed in principle, I have no objection for the release of 42-30-0 acres out of S.Nos.86,85 and 83 of Yenangur Village Sidalghatta taluka in lieu of 45 acres out of S.No.84 of the same village ordered for release in Government Order quoted above.

Orders of Government in the matter may kindly be communicated.

Yours faithfully,

N. D. Ranjundappa 4/3
Chief Conservator of Forests

Copy of letter No.LND.98-GFL-1189/67-68 Dated 19-2-70 from the Conservator of Forests Mysore Circle,Mysore, to the Chief Conservator of Forests in Mysore,Bangalore.

Sub:-Release of land out of F.S.No.84 of Yennangur Village, Sidlaghatta Taluk.

Ref:-Correspondence ending with your D.O.letter No.B3-GFL-598/68-69 Dated 28-1-1970.

With reference to the above, I enclose herewith letter No. SR-A4-DAR-33/64-65 Dated 17-1-1970 of the Divisional Forest Officer, Kolar along with the sketch in duplicate for kind perusal.

2. The Government in their letter No.AFD-321-FGL-69 Dated 4-8-1969 have forwarded the representation of Sri.B.Venkatarayappa, M.L.A.Sidlaghatta who has requested to release 45 acres of land in S.No.85 instead of S.No.84 which was orginally granted in G.O.No.AFD. 254-FGL-66 Dated 19-9-1968, as the lands in S.No.84 is unfit for cultivation.

3. The Divisional Forest Officer, Kolar who has perambulated the above acres has reported that the forest lands in S.No.84 is unfit for cultivation and he has proposed an alternative area in portions of S.No.86, 85 and 83 of the same village as detailed in his letter enclosed.

4. Out of the proposed area of 45 acres an area of 42 acres 30 Guntas is included in the State Forest excluding an area of 2 acres 10 Guntas which is outside the state Forest.

5. Under the circumstances explained by the Divisional Forest Officer, I agree with the proposals of the Divisional Forest Officer to release an area of 42 acres 30 guntas of land in S.No.86, 85 and 83 of Yennangur Village from Jangamakote S.F. in lieu of 45 acres in S.No.84 which was originally released.

To

The Conservator of Forests,

MYSORE.

Sir,

Subject:- Release of land out of S.No. 84 of Yennangur village, Sidlaghatta taluk.

-:0:-

Reference:- C.C.F.letter No. B3-GFL.598/68-69, dated 14-8-69 ending with 27-10-69.

-:0:-

With reference to the above, I write to state as under:-

1. The Government of Mysore, was pleased to order release of 45 acres of State Forest out of S.No. 84 of Yennangur village, Sidlaghatta taluk included in ~~xxxxxx xxxxxtxixxxxx xixix~~ Jangamkote state forest vide G.O.No. AFD,254-FGL-66/dated 19-9-68.

2. Subsequently the M.L.A. Sidlaghatta had a made a request to Government for issue of a corrigenda order for release of the said 45 acres in S.No. 85 of Yennangur village instead of S.No. 84, as the land in S.No. 84 was unfit for cultivation (vide his reference dated 22-7-69 communicated in G.O.No. AFD.321/FGL.69,dated 4-8-69).

3. On this, I perambulated portions of Jangamkote ~~xxxxxxxxx~~ Plantation in S.No. 84 of Yennangur, and found that the balance area in S.No. 84 was not fit for cultivation - excepting for a small patch of about 6 acres being highly lateritic and rocky. At the same time it was seen that the area being now requested in S.No. 85 was covered with Silver Oak plantation raised in 1965. In view of the fact that Silver Oak is a new species of accepted economic utility and we are studying its response to local conditions for raising large scale plantations and as we do not want to loose data on the initial growth of about 4 years it is not feasible to release this area.

4. However as the balance area in S.No. 84 is not fit for cultivation, I propose an alternative area of 45 acres included in portions of S.No. 86,85, and 83 of the same village. This proposed area of 45 acres get included the following:-

1) 4 - 00 in S.No. 85 vacant and failed portion of Silver Oak plantation (1965) vide Sketch 1.

continued page 2.

10

2) 1-20 2-25.	In S.No. 85 included in 1956 Eucalyptus plantation now exploited (vide sketch J & G)
3) 2-10.	in S.No. 85 included in 1956 eucalyptus plantation but area out-side the state Forest limit (vide sketch K')
4) 1-15 0-10	in S.No. 85 included in the existing eucalyptus plantation 1957 vide sketch (f & h)
5)13-00	in S.No. 86 included in 1956 eucalyptus plantation with in State Forest (vide sketch e')
6)14-00	in S.No. 86 which is a blank area (vide sketch d')
7) 1-15 3-25.	in S.No. 86 which is under encroachment now (vide sketch b&c)
8) 1-00	in S.No. 83 ~~x x~~ which is under encroachment now. (vide sketch a')
45-00 ac.	

This means a net release of 42 acres 30 guntas of State Forest excluding an extent of 2 acres 10 guntas already out-side the state forest limit.

The above proposal is submitted for consideration as this would save the silver Oak plantation and also exclude portion of encroached areas and also certain bits outside the state forest. The sketch showing the area of 42 acres 30 guntas proposed to be released in S.No. 86,85,& 83 of Yennangur village, from Jangamkote state forest as detailed marginally in liew of the 45 acres in S.No. 84 is also submitted for kind perusal and necessary orders.

S.No. 83- 1acre 00 guntas	
S.No. 85- 9acre 30 guntas	
S.No. 86- 32acres00 guntas	
of Yennangur village	
Total. 42-acres 30 Guntas	

In this connection, I also wish to state that there is no further area to be granted in this state forest for cultivation or any other propose. The land ordered to be released will have be allotted by the Revenue Department after ascertaining onee again the bonafides of the land less Harijans.

The draft notification for constitution of state forest, the area in S.No. 85 where silver Oak has been raised in 1965, having been first outside the state forest limit but ~~thx~~ since ordered to be taken into state forest is being separately submitted.

Yours faithfully,

achar.

2) Clarification of S.No.85 of Yennangur - Release - 45 acres of land out of Yennangur.

While drawing your attention to the above, I write to state that the village, Harijans of Yennangur Village have applied for 45 acres of land in Survey No.85 of the said village and the lands were sanctioned accordingly.

But the fact that this survey number is unfit for cultivation was brought to light when the Revenue Surveyor went to the spot for marking the exact boundary. The land actually sanctioned in survey No.84 instead of 85.

As such I request you to kindly issue a Corrigendum by notifying Survey No.85 instead of Survey No.84, which is a deliberation mistake.
